

DRUMRAGH INTEGRATED COLLEGE

Principal: Mr. Nigel Frith BA, MA, NPQH

Excellence For Everyone

May 5th 2015

Dear parent/guardian and student,

I would like to take this opportunity to inform you of the arrangements for the collection of summer examination results.

A complete set of results, including individual module / unit scores will be available from the college after 9.00am on Thursday 13th August. We recommend that you arrive at this time and after opening and looking at your results do the following:

All year 14 students must see Mrs Bell to ensure we have an up-to-date record of your university placement or intentions for next year.

All year 13 students must see Mr Lilleker to verify grades and check suitability for progression to A2 in September. For some students it will be necessary to make a further appointment for the following day Friday 14th August. This allows a more detailed analysis of your results and a more private environment in which to make some decisions.

It is our intention to post these details on the college website but do please keep this information safe until publication of results.

Good luck!

Yours sincerely

D Lilleker
Head of Sixth Form
