

DRUMRAGH INTEGRATED COLLEGE

Principal: Mr. Nigel Frith BA, MA, NPQH

Excellence For Everyone

May 5th 2015

Dear parent/guardian and student,

I would like to take this opportunity to inform you of the arrangements for the collection of summer examination results.

GCSE results will be available in college from 9.00am Thursday 20th August. Students must visit the college to collect all results and we recommend that you attend at this time to enable us to best facilitate you.

All Year 12 students that have applied to sixth form must see Mr Lilleker or Mrs Bell to verify that grades attained match advanced level subject entry requirements.

For some students it will be necessary to make a further appointment the following day, Friday 21st August. This allows a more detailed analysis of your results and a more private environment in which to make some decisions.

It is our intention to have these details posted on the college website but please do keep this information safe until publication of results. Good luck!

Yours sincerely,

Mr D Lilleker
Head of Sixth Form
